MINISTRY OF HEALTH

Ref. No. MED/PHS/2/0003

18th January 2017

The SAFI Water Treatment Solution,
P.O. Box 3295,
Blantyre.

Attention: Joseph De Gabriele.

Dear Sir,

REQUEST TO TEST POINT OF USE WATER PURIFICATION PRODUCTS

Reference is made to your request to test the following Household Water Purification products:

1. Safi T9 table – top filter
2. Safi T20 table top filter.

The Ministry of Health is pleased to let you know that the products have satisfactory efficacy on removal of Bacteria and Turbidity. Please refer to the attached results from the Public Health Laboratory who carried out the tests at Community Health Sciences Unit (CHSU).

You are therefore being advised to proceed with the promotion of the products for household water treatment.

However, the Ministry will continue to conduct periodical quality checks to monitor the sustainability of the quality of these products

Yours Faithfully

A handwritten signature in black ink, consisting of a large, stylized 'C' followed by a series of loops and a horizontal line extending to the right.
